

Bali Clinic – Report for 3/1/19 – 5/25/19

Location: Bali, Taraba State, Nigeria

Contact: Idara Njoku

Phone: 818 234 4589

The Bali Clinic opened in April 2017 and provides general medical, childbirth, and pediatric care for Bali and surrounding communities. The clinic was part of the initial rollout of the app and began using the system on 3/1/2019. The clinic is currently equipped with one phototherapy unit and one tent for jaundice treatment. The clinic has already seen an approximate increase of 25% in newborn patients, attributed to educational efforts as part of the app rollout.
